**MINUTES OF THE TRI-COUNTY BICYCLE ASSOCIATION  
BOARD OF DIRECTORS MEETING  
Foster Community Center - Lansing  
October 6, 2009**

President Roger Nelson called the meeting to order at 6:30.

Board members present included Roger Nelson, Lenny Provencher, Patricia Trudgen, Linda Antinori, Dick Sulin, Kris Stairs, and Donovan Riley. Also present were club members Pat Harrington, Adreah Saxton, Joane Gruizenga, Mary and Darryl Burris, Janet Weber, Dwayne Scheidler, and Katie Donnelly.

Patricia Trudgen made a motion to fill the vacant Vice-President position by appointing incoming Vice-President Lenny Provencher to the position immediately. Linda Antinori seconded the motion and it passed unanimously.

***Reports:***

1. **President's Report:** Roger announced that he was still trying to line up cartoonist Jeff Mallet for November's general membership meeting.
2. **Vice-President's Report:** Lenny Provencher mentioned that one possibility for future membership meetings is to have Al Simons finish the 2nd half of his cross-country trip from Kansas to the East Coast.
3. **Secretary's Report:** Linda Antinori presented the Minutes of the September meeting to the Board for approval. Dick Sulin made a motion to accept the Minutes, Pat Trudgen seconded the motion and it passed unanimously.
4. **Treasurer's Report:** Dick Sulin presented September's Financial Reports to the Board for approval. Linda Antinori made a motion to accept the Financial Reports as presented. Kris Stairs seconded the motion and it passed unanimously.
5. **Events Director:** Patricia Trudgen announced that the DALMAC Appreciation Dinner would be held October 15 and that a DALMAC improvement meeting would be held October 20 at 6:30pm at the MSU Pavilion.

***Old Business:***

- The Volunteer Recognition will be held in 2010.
- The Board Transition Dinner will be held at the Ukai Steak House in Meridian Township on December 10.

***New Business:***

- Dwayne Scheidler made a proposal to the Board to change the underwriter of TCBA's Event Liability insurance from McKay to NSI with Dwayne as the writing Agent. There would be no change in cost or coverage. Patricia Trudgen made a motion to accept NSI as the underwriter for the club's liability insurance with Dwayne Scheidler as the writing agent for the policy. Linda Antinori seconded the motion and it passed unanimously.
- Pat Harrington, 5 UP Ride Leader, made a presentation on the behalf of the East Jordan Emergency Medical Services and the outstanding job they did in reviving a rider when he had a near fatal heart attack on the Wall during this past DALMAC. He asked the Board for a donation of \$5,000 to allow the East Jordan Emergency Services to buy more training devices to improve quality of service in that area. Linda Antinori made a motion to approve the donation to the East Jordan Emergency Medical Services, Donovan Riley seconded the motion, and it passed unanimously.
- Mary Burris made a proposal to the Board to reduce the \$25 fee for the WOW and T-Shirt Rides to en-

courage more people to ride and to make the rides affordable for families. Lenny Provencher proposed that the cost of both the WOW and T-Shirt Rides be set at \$15 for adults, \$8 for ages 6 to 16, and free for ages 5 and under with the Board backing the rides financially on any losses and that the Ride Chair would determine the amount of the LMB contribution if there is a profit made on the ride. Linda Antinori seconded the motion and it passed by a vote of 6 ayes and 1 nay.

- The dates of the TCBA’s Club rides for 2010 are as follows:

T-Shirt Ride.....June 12  
 Northwest Tour.....June 16 to 20  
 Summer Tour.....July 14 to 18  
 WOW.....July 24  
 DALMAC.....September 1 to 5

- Linda Antinori will list the club rides in the LMB calendar.
- Kris Stairs made a motion that the TCBA not contribute \$1 per rider on TCBA events to LMB. Donovan Riley seconded the motion and it passed by a vote of 6 ayes and 1 nay.
- Linda Antinori, Secretary, presented the 2010 Meeting Calendar to the Board for approval. Dick Sulin made a motion to accept the calendar, Kris Stairs seconded it, and the vote was unanimous.

The meeting adjourned at 8:25.

### L.A.B. "Smart Cycling" Class

By: Bill Savage, Chairman, Education & Safety Committee

A League of American Bicyclists "Smart Cycling 101" class was held on October 10, 2009, at the MSU Pavilion in East Lansing. League Cycling Instructors' (L.C.I.'s) Steve Leiby and Bill Savage, and "Road 1" graduate Dick Janson instructed the nine-hour class, with about half the time in the classroom discussing safe riding practices, and the rest of the time practicing these skills on the roads and in parking lot drills.

Participating in the class were:

- |                  |                |
|------------------|----------------|
| Lenny Provencher | Thomas Baumann |
| Tim Potter       | Tom Maleck     |
| Dave Cobb        | Terry Grant    |
| Cathy Benson     | Steph Benson   |

All class members received their "Smart Cycling" Certificates and are now eligible to take further L.A.B. classes, including League Cycling Instructor (L.C.I.) class.

The profits from conducting the class of \$107, have been donated to the Share-a Bike program.

It is anticipated that another "Smart Cycling" class will be offered in the Spring or Summer of 2010. TCBA members will be given an opportunity to sign up for the class, before it is placed on the L.A.B. website. The preferred class size is 6 to 10 participants, and the cost will be approximately \$30.

#### REMINDER SNOWBIRDS

Please submit your **CHANGE OF ADDRESS** for your upcoming departure for the winter months.

The TCBA would like to remind our valued members to please submit your change of address (form is included on the mailed newsletter) whenever you move, or temporarily relocate for lengthy periods of time. We no longer have the post office forward our mailings, such as newsletters, ride notices, etc. To insure you receive your TCBA correspondence, it is imperative you keep us informed on where you want your mail sent. The cost to the club to receive notices of undelivered mailed is starting to add up. In addition, we cannot be responsible if you do not receive an application to a desired ride which fills up due to our inability to provide you an application in time. Thank you for your assistance in resolving the issue from both perspectives. Please notify Dean Braily of your address change at [membership@biketcba.org](mailto:membership@biketcba.org).

### DALMAC NEWS

By Patricia Trudgen, Events Director

Hard work by our dedicated DALMAC volunteers produced another great ride. Perfect weather was enjoyed on the 5 usual routes by over 2100 enthusiastic riders. Challenges were met and resolved efficiently and safely by our crews. Great weather has been requested again for 2010, see you next year.

#### 2008 DALMAC Jersey wins top honors at NBTDA

The 2008 DALMAC Jersey was awarded first runner-up honors at the National Bicycle Tour Directors Association conference. The conference was held in Portland, Oregon, on November 3, 2009. This is the 4<sup>th</sup> time our Buying Committee has received top honors. Thanks to the committee for their efforts and creativity.

## FOLLOW-UP TO "DALMAC RIDERS HELP SAVE A LIFE"

By Pat Harrington and Robin Barfoot

This article supplements the *Chain-wheel Chatter* article last month entitled: "DALMAC Riders Help Save A Life" which related the account of one of our riders collapsing from a heart attack on the Wall and his subsequent resuscitation/rescue/recovery.

On October 20, 2009, at the regular East Jordan City Council meeting, the following commendation was awarded:

**Commendation To The DALMAC Organization**

**WHEREAS** the DALMAC Organization sponsored their annual Bicycle Tour that passed through the City of East Jordan and the surrounding communities; and

**WHEREAS** the DALMAC Organization had efficient systems and quality personnel in place to correctly respond to the incident involving the cyclist that crashed his bicycle and went into cardiac arrest on September 5, 2009 on the hill outside of East Jordan known as "The Wall;" and

**WHEREAS** the personnel of the DALMAC Organization expeditiously and professionally handled all of the related communication, organizational and personnel issues related to this emergency and in so doing provided the support system that contributed to a positive outcome for all concerned and the expectation of a full recovery by their cyclist;

**THEREFORE, BE IT RESOLVED** that the East Jordan City Commission and East Jordan EMS, on behalf of the entire communities, extend their heartfelt thanks and appreciation to the DALMAC Organization for their exemplary crisis management and their caring response in this emergency.

During the award ceremony, DALMAC presented the City of East Jordan Ambulance Association with a donation, along with a framed DALMAC 2009 jersey, courtesy of Chris and Glenn Bryant, riders and support crew who participated in the events.

Prior to the ceremony, those who participated in Phil Cunningham's resuscitation/rescue enjoyed a reunion dinner, exchanging tales of the various circumstances which led to such quick support provided by the volunteer EMS personnel.

Highlights included the facts that the ambulance was already on the road and returning to the station from "a run", when the 911 call came in, "CPR IN PROGRESS", one member of the EMS crew was actually working on his cabin at the base of "The Wall" – which clarified how he got there within 2 minutes, the Sheriff's department was in the vicinity with their defibrillator on board, (yes, the sheriff deputy was keeping an eye on the cyclists following the rules of the road), and the EMS department had recently acquired a unique injection device to put fluids into a patient instantly (they needed to use for the first time ever and it sure worked great.) Additionally, the chief cardiologist of Northern Michigan Hospital happened to be walking through the emergency room on his day off and was there when the ambulance arrived.

The medical update on our rider is that he has received a "Green Light Clearance" from the doctors, who confirmed there was no heart or

brain tissue damage thanks to the quick actions of everyone involved.

Next year, Phil and Gary Cunningham and their friend Jim Howes intend to be the first three riders registered with their slogan "DALMAC 2010 – The Bridge & Beyond!" The preparations for DALMAC 5UP have begun with "The Bike That Fell on The Wall" being mounted to a stationary trainer, (provided by a couple of DALMAC volunteers), and with our photographer already looking for the best view of the Mackinac bridge when these guys make their crossing next year.

The City of East Jordan looks forward to welcoming DALMAC with open arms next year and for many years to come!

The following was extracted from the League of American Bicyclists Bicycle Advocacy website at <http://www.bikeleague.org/programs/bikeadvocacy/>.

### Proposal to End Federal Funding for Bike Projects

(6.05.09) A proposal by House Republican leaders to slash critical federal funding for bicycle and pedestrian projects was branded as “short-sighted and out of touch with reality” in a short statement issued by the President of the League of American Bicyclists, Andy Clarke. “House Republican leaders have chosen once again to scapegoat bicycling and walking programs, proposing to end the popular and successful Transportation Enhancements and Safe Routes to Schools programs and to terminate four non-motorized pilot projects mid-stream. These programs are hugely popular with communities across the country and address numerous challenges facing our nation – such as climate change, obesity and oil dependence. We know that State Departments of Transportation have reluctantly

implemented these programs over the years despite overwhelming public support, and will not support them independently. To suggest ending these programs is short-sighted and out of touch with reality.”

In addition, the League notes that:

- the Transportation Enhancement and Safe Routes to Schools programs are routinely oversubscribed by a factor of three or more whenever States request applications for funding under these programs.
- More than 40 percent of all trips in the United States are two miles or less and that almost three-quarters of all car trips are two miles or less, suggesting that most travel is local, regardless of mode.
- A 3 percent reduction in vehicle miles traveled in 2008 resulted in a 30 percent reduction in congestion in metropolitan areas around the country, suggesting that demand management strategies such as increasing bicycling and walking are extremely effective in addressing congestion and other traffic-related issues.
- and subsidies given through tax breaks to drivers to pay for parking at work cost the taxpayer almost as much per year

(\$4 billion) as Boehner’s and Cantor’s proposal to slash support for bicycling and walking would save in five years.

“We will be asking the White House to reject these proposed cuts out of hand,” continued Clarke. “At a time when we are struggling across several fronts to tackle pressing national concerns related to oil dependence, obesity and the costs of physical inactivity, climate change, air quality and economic competitiveness, it seems inconceivable that we would gut some of the few modest programs that encourage and enable people to walk and bicycle for everyday trips.”

### Distracted Driving Summit

Andy Clarke, President of the League of American Bicyclists, will join other safety advocates, senior transportation officials, law enforcement representatives, elected officials and academics at the Distracted Driving Summit in Washington, D.C. on September 30 and October 1, 2009. The Summit, convened by U.S. Transportation Secretary Ray LaHood, will focus on determining the best ways to reduce the number of crashes and deaths due to distracted driving. Clarke will take this opportunity to highlight some personal stories from League Members who have been directly affected by crashes caused by distracted drivers. If you have a personal story you would like to share, respond to [communications@bikeleague.org](mailto:communications@bikeleague.org) by Monday, September 21.

### CORRECTION

We incorrectly listed the credit for the photo of the rescue crew in the November newsletter that accompanied the article about our DALMAC riders rendering help to a fallen rider. We’d like to recognize that photo was courtesy of Peter Derkos.
