## TCBA Ride Incentive Program

By Kris Stairs, Board-At-Large

The TCBA has published new Ride Incentive Program rules. Below are the new criteria. Changes are to the Incentive Program rules are underlined.

**Purpose:** The purpose of the ride incentive program is to encourage club members to participate in TCBA recreational rides.

### Ride Classes

Established to enable riders of similar abilities to ride together. Classes are based on average overall ride speed, as follows:

Class A+	19+
Class A	17-19 mph
Class B	14-17 mph
Class C	12-14 mph
Class D	Up to 12 mph
Class Z	Over 40 miles at riders' own pace
Class M	Mountain bike off-road rides

### Responsibilities

#### Ride Leaders

- Scout the route and create accurate maps or cue sheets which should include point to point miles and accumulative miles.
- All rides must start from a public accessible location. Rides cannot leave from a private residence.
- Provide notice of the ride in the appropriate club venue. Information in the notice shall include, but not be limited to, leader's name and contact information, date/time, starting location, ride class, and approximate distance. Weather conditions under which a ride will not occur must be stated with specificity. The starting point must provide adequate parking for a reasonable number of expected riders; if private property is used for this purpose, the ride leader is responsible for securing permission from the property owner or manager.
- Provide a reasonable number of maps or cue sheets for the anticipated number of entrants and ride sign-in sheet.
- With the exception of Class Z rides, ride at the back of the group. The ride leader is not required to ride at an average pace that is slower than the minimum designated speed for the ride class.
- In case of mechanical problems, medical problems or injuries, remain with the affected rider until the situation is resolved or help arrives. The ride leader is *not*, however, required to perform repairs, first aid, or CPR.
- Equitably enforce the provisions of the ride program during club rides and make diligent effort to ensure accuracy of ride sheet.
- Provide and submit completed ride sheet to the Club Mileage Keeper in a timely manner.

#### Riders

- Choose rides appropriate to their riding ability.
- Arrive at the starting location in time to complete pre-ride preparations by the posted start time.
- Make complete and legible entries on the ride sheet.
- Ensure their bicycles are in a proper state of repair to complete the ride.
- Be able to perform routine on-road repairs. In case of severe mechanical or personal breakdowns, riders are responsible for arranging their own return transportation.
- Ride in a safe and lawful manner.
- Passive riders (such as those in "buggers") are not regarded as riders for the Ride Incentive Program.

### General Rules

- The ride calendar year is December 1<sup>st</sup> through November 30<sup>th</sup>
- Club rides may be submitted to the Chainwheel Chatter or to the called in ride line. If possible all recurring rides, and most other rides, should be submitted for publication in the club newsletter. Ride information must be submitted so that it appears on the updated ride line for at least two (2) days prior to the ride. The update schedule and deadlines are set by the Ride Line Coordinator and may vary by season.
- In addition to all of Clinton, Eaton, and Ingham Counties, rides may depart from locations within Shiawassee county that are south of M-21 and west of M-52 as well as within the city limits of Owosso. Rides may also depart from the 67<sup>th</sup> District Court House in Grand Blanc.
- Other start locations must be board approved
- No club rides shall be scheduled during the general membership meetings or to conflict with the Women on Wheels ride, the 100,000 Meter T-shirt Ride, or club-sponsored social activities.
- Wednesday evening rides of all classes departing from the MSU Pavilion from May through August shall have starting times of 6:15 p.m.
- Rides of the same class leaving from the same general location must be at least one hour different in starting time.
- Helmets are required on all club rides; personal audio devices are prohibited.
- There is only one ride leader and one route per ride.

### **Incentive Eligibility**

- Only TCBA members in good standing may accumulate mileage points.
- Riders earn 1 point per route mile or "home mile" ridden. Ride leaders receive ride mileage as well as ride leader points (100 points for Class D and M and 50 points for all other ride classes); if there are no other riders, the ride leader receives the ride mileage plus 10 leader points.
- "Home miles" are miles ridden to and from TCBA rides, meetings, social events, or invitational tours based on the shortest and safest distance to these events from the rider's home. Home miles are not extra miles ridden "off the route."
- Mileage credit is only earned by riders and ride leaders who ride the route; ride leaders may deny mileage credit for any rider whose participation on the route is not personally verified.
- If a ride leader fails to participate in a scheduled ride, another rider may assume leadership and will be credited with the leader points.
- The following rides are eligible for full credit under the program
  - Properly scheduled club rides
  - SummerTour
  - 100,000 Meter T-Shirt Ride
  - Women on Wheels Ride
  - DALMAC
  - Northwest Tour
- Mileage credit may also be earned for participation in non-TCBA invitational rides; however, at least 75% of a rider's mileage points toward an award must come from TCBA-sponsored events. Invitational rides are tours sponsored by other clubs or non-commercial organizations.
- Members are responsible for documenting participation in TCBA invitational rides or qualifying non-club rides within 30 days of the event on any official club ride sheet. Entry shall include member's name, date, events name, and distance.
- Riders are responsible for ensuring their mileage is accurately entered in the club's database.
- Ride sheets must be submitted to mileage keeper within 30 days of ride, except that all\_ride sheets must be received by the mileage keeper by the second Tuesday in December.
- The TCBA Board is responsible for equitable enforcement of the ride program.

ANONYMOUS

**DEEPEST CONDOLENCES**

Our thoughts and prayers are with fellow TCBAer;s Gregg Molzon, who lost his father on November 10, 2008 to congestive heart failure and Ed Noonan, who lost his wife, JoAnn to cancer on November 24, 2008.

Also, TCBA has lost a valued ride leader, Gene Bodoh, who died October 24, 2008, at the age of 81. He led rides from the mid 80's to 90's from the Holt commuter lot. His Wednesday morning rides were unique, by TCBA standards, in that his riders all rode together "en masse." We weren't fast riders but we had great fun on our outings. It was Gene's urgings that propelled us on to greater biking achievements. Thank You, Gene.

## ANNUAL CHRISTMAS/HOLIDAY PARTY

By Joe Adams, Former TCBA President

The TCBA Annual Christmas/Holiday Party was December 4. Sue Viele, TCBA Vice President, organized a great party. I want to thank Sue for her effort.

The festivities began with a cocktail/appetizer hour followed by dinner. The annual raffle was a great success. Many attendees received prizes. A short "business" meeting was presented by Joe Adams, TCBA President. He introduced the current board of directors and new, 2009 board. Herb Drake, TCBA President for 2009, made a few comments about what his plans are for TCBA in 2009.

The highlight of the evening was the presentation of the annual TCBA Volunteer of the Year award. After a few

misdirection comments by Joe and Al Simons, TCBA Events Director, the award was presented to Sue Viele for her many years of dedicated volunteering. Sue was surprised when the announcement was made. She had been under the assumption that Al was the winner. Needless to say, she was happy to be a part of the Volunteer of the Year family.

The evening continued with entertainment by comedian Dwayne Gill. He put on a wonderful show that made all of us laugh.

The party ended with members lingering to talk and wish each other Merry Christmas.

### Congratulations to the 2008 Volunteer of the Year

SUE VIELE

## TCBA WEBSITE COMMITTEE

By Janet Weber and Ed Noonan

Tri-County Bicycle Association is proud to be a volunteer organization. It is our volunteers who make this one of the most successful bike clubs in the United States. In order to continue serving the members of the TCBA, we are looking for a few members who would be willing to serve on the newly formed Website Committee.

The Website Committee will determine, with the Board's approval, what goes on the biketcba.org site, and the layout/format of the design of our home page. They will work together to ensure our website is current and up-to-date, providing our members with information, photos, and links to the various events we hold throughout the year. This will include the multiple rides we sponsor, as well as other events, such as the picnic and Holiday party.

If you have web knowledge/experience and would like to enhance the web page for our members, and those visitors, who

we hope would eventually join us on our sponsored rides or become new members, please contact committee leader Ed Noonan or the Committee at [website@biketcba.org](mailto:website@biketcba.org).

In addition, we would like to know what you, the TCBA members, would like to see regarding the organization's web site. If you have any ideas you'd like to suggest for a design or format, please submit your input to the Committee at the email address above.

Remember, membership in TCBA is relatively inexpensive compared to other organizations one may belong to. The enjoyment we all receive from the events we participate in as TCBA members is undeniable. Get involved in our organization and make it be what you want. Volunteer your talents and time and reap the benefits of the fellowship and fun this organization was built on.
