National Bike Summit
Washington, DC, March 9-11, 2010

By Bill Savage

In January I got a call from Lenny Provencher asking if I would like to represent TCBA at the Summit. With relish, I accepted and made the necessary arrangements; registration, airline reservation and lodging.

Arriving at JFK Airport at about 2:00 p.m. on Tuesday, March 9, I proceeded to the Metro ticket machine and found John Lindenmayer at the next machine. Excited that I ran into someone I knew, I promptly left my briefcase on the floor.... and wheeled my suitcase to the train. I realized my loss when I got off the Metro at my hotel (minus a camera, and other nice things).

At 5:00 p.m. I attended the "First Timers Orientation" and found, to my dismay, that we were there to be 'unpaid lobbyists', and would be visiting the Michigan Senators and Representatives on Thursday. We were instructed to urge them to support "Complete Streets", the Transportation Act and to belong to the Congressional Bike Caucus. We were urged to stick to these issues, and not talk about 'health care', 'wars' or 'tax increases'.

There were 13 Michigan delegates at the Summit, in addition to John and myself. There were TCBA members Tim Potter and Rory Neuner, John Waterman and Wes Grose from PEAC, and several from various bicycle shops in Michigan. We were surprised to also have with us Dan Kauppi and Aaron Rogers, from the Copper Harbor Trails Club, located at the northern most tip of Michigan.

Wednesday was a day of 'Breakout Sessions'. There were several good sessions during each 75 minute time period. I chose to attend "Progressive Cities", "Promoting Livable Communities", "The Madison Story" and "Complete Streets". Every session was excellent!

Next, at 5:00 p.m. all 770 of us met in the Amphitheater to plan our "friendly attack" on Congress on Thursday. It was like a political convention with state signs waving in the air. Our meetings with the congressmen had been previously arranged. The times of each meeting were announced, and who would speak at each meeting what should be said was determined.

Thursday, The Big Day, we set out armed with our weapons (florescent bicycle pins). First, all of us met with Senator Levin's staff people and then with Senator Stabenow's staff. Thereafter, we broke into smaller groups to meet with our own Representatives. Those of us from the Lansing area met with the staffs of Mark Schauer and Mike Rogers. For the most part we were very well received, and was exemplified by the large number of the very popular 'bicycle pins' being worn by the end of the day.

Nationwide, 217 Representatives and 22 Senators now belong to the Bike Caucus. Six Michigan Representatives and no Senators belong to the Bike Caucus, with notable local members Republican Peter Hoekstra and Democrat Mike Schauer.

Thursday evening was the Congressional Reception where we were able to mingle with Congressmen and staff. It was a crowded affair, highlighted by a very pro-bike speech by Transportation Secretary Ray LaHood.

Friday morning I packed the bags I had left, and headed to the airport for my noon flight home. Tim Potter was our lone local member to participate in the Congressional Bike Ride to the capitol. He is prominently shown on the steps of the capitol on page 10 of the April "American Bicyclists" magazine.

VOLUNTEERS NEEDED FOR DALMAC REGISTRATION

By Mike Hudson

Volunteers are needed for DALMAC registration at the MSU Pavilion. This is a great way to meet people and help out your club at the same time.

Dates and times of volunteer opportunities are as follows:

- ◇ Tuesday, August 31, 5:00 p.m. to 8:00 p.m.
- ◇ Wednesday, September 1, 7:00 a.m. to 9:00 a.m.
- ◇ Wednesday, September 1, 5:00 p.m. to 8:00 p.m.
- ◇ Thursday, September 2, 7:00 a.m. to 9:00 p.m.

To volunteer, call Mike Hudson at [517] 321-4297 or e-mail hudsonmi@msu.edu. Please no calls after 10:00 p.m.

CHANGE OF ADDRESS

The TCBA would like to remind our valued members to please submit your change of address (form is included on the mailed newsletter) whenever you move, or temporarily relocate for lengthy periods of time. We no longer have the post office forward our mailings, such as newsletters, ride notices, etc. To insure you receive your TCBA correspondence, it is imperative you keep us informed on where you want your mail sent. The cost to the club to receive notices of undelivered mailed is starting to add up. In addition, we cannot be responsible if you do not receive an application to a desired ride which fills up due to our inability to provide you an application in time. Thank you for your assistance in resolving the issue from both perspectives. Please notify Dean Brailey of your address change at membership@biketcba.org.

Northwest Tour (with 4 Grandkids) June 16 to 20, 2010

By Bill Savage

The Challenge

Our four oldest grandchildren, Brittany (15), Cameron (12), Tiffany (12) and Chelsea (9), along with daughter Judy (no age) decided that they wanted to join me on either the Summer Tour or the Northwest Tour (to be determined later). For Christmas, each grandchild was offered either \$50 cash, or \$25 cash and \$50 worth of bicycle duds.

The three girls picked the "deal", while money hungry

Cameron took the cash. Later, when the girls were picking out new helmets and padded bike shorts, he quickly decided to return \$25 so that he could participate in the better \$50 duds deal.

The Decision

In February, when the two tours were published, the next step was to decide whether to stay at a single campground (with a heated pool), with shorter miles per day, but with more and bigger hills; or set up tents twice, but with more miles each day. The grandkids all elected to go on the hilly, but shorter Northwest Tour.

Getting bikes

The next step was to find bikes for everyone. I had already given Brittany my 1989 Miyata, Tiffany could use my wife's 21-speed Mongoose cross bike, Cameron bought a good used bike from John Vande-

car, Chelsea was stuck with Cameron's old 20" bike, and Judy bought a good 1994 Cannondale. Tiffany and Chelsea's bikes weren't the best, but walking isn't all bad!

Wednesday – June 16

We got off to a slow start, because this day was Brittany's 16th birthday and she had to get her driver's license

that day in Monroe! Brittany and Tiffany got to Lansing at 2:30 p.m., and we made it to the Indigo Bluffs a little after 6:00 p.m. We had plenty of daylight to set up three tents (two singles and a large tent for the four kids).

Thursday – June 17

Chelsea was delayed by soccer try-outs, and joined us (with her mother Judy) at the high school on the Mission Peninsula in time for the ride. We only got off track one time, when we found ourselves riding north on M-37 while everyone else was riding south (no problem, we just turned around and ate lunch). This beautiful ride was a good warm-up for the days to come. Cameron stayed in Lansing for the last day of the Tom Izzo basketball camp, and didn't join us until about 10:00 p.m.

Friday – June 18

We were lucky enough to ride

much of the day with Sabrina (12) and her friendly family (Tim, Leah and Tyler (1 ½) Massey). They fit right in with our bunch, and we had a great day, until we left Empire, when we met the Empire hill. We were very tired, but happy when we finally got back to camp.

Saturday – June 19

At breakfast on Saturday, we sang "Happy Birthday" to Cameron, our now 13-year old teenager. We once again enjoyed riding with the Massey family. After a nice morning ride, we ate lunch in Cedar and promptly missed our turn, and added another eight "hilly" miles to our ride. Back on our proper route, we encountered the worst hill of all, the Plowman Road hill (no one told us about this one). Cameron was the only one to ride all the way up. We found out later that he never shifted gears on the whole tour – kids, we love em!

The Aftermath

The only complaint that I heard was that their "butts hurt". The good news is that they want to do it again next year!

P.S. Note to Dick Sulin – Your statement that some hills were up and some were down, is wrong. We believe it's more like 80% up and 20% down!

Photos of family members mentioned in article courtesy of Bill Savage.

See you next year -

Editor's Note: This is just one example of how TCBA truly is a family oriented organization. This year's North West Tour had 200 riders participate. Come join the fun and get the kids moving in this fun-filled activity. Make your own family memories.

By Debra Holdcraft

The countless hours volunteers put in 'behind the scenes' as well as the volunteers that braved the steamy weather on June 12th were key in making the 100,000 Metre T-Shirt ride a success this year. We are blessed to have such a great group of people who took time out of their busy lives to create a ride that allowed families and first-timers to have a fun experience riding their bikes.

PLEASE HELP!

TCBA has a 40 years history of DALMAC, and during that time has contributed about \$900,000 to bicycle related causes, including trails, safety, education, and bicycle advocacy. This coming year we expect to reach the million dollar mark. We are a volunteer club and all this money has been raised by volunteers. We are making a difference for bicycling.

We need volunteers to step up and run for office. There are 7 board positions; President, Vice-President, Secretary, Treasurer, Events Director and two Board-at-Large positions. Elections are in October, but we need a slate for the September meeting.

The Board of Directors meets once a month at 6:30 p.m., usually on the first Tuesday. The meeting is usually over by 8:30. A summary of duties for the board are as follows:

President – is chairperson of the board and has authority for the general and active management of the Association; shall preside over all membership meetings, and present a report of Association activities at the annual membership meeting.

Vice-President – acts in the President's absence and performs other duties delegated by the President. Currently, the Vice-President has been scheduling speakers and/or presentations for the general meetings.

Secretary – records and files the minutes of the meetings and prepares and conducts elections of Directors.

Treasurer – has control of and is responsible for the funds and financial records of the Association and delivers an annual accounting at the annual membership meeting.

Events Director – prepares and conducts the annual DALMAC bicycle tour and delivers monthly reports and an annual report to the Board of Directors.

Board at Large – (2 positions) There are no specific duties, but they have full voting rights as members of the Board of Directors.

In addition, the Officers of the corporation are charged with duties and authority as usually pertains to such offices in a corporation.

These jobs are important. We work together and help one another as necessary. We have an accountant to help the treasurer. Our current treasurer is not running again, but he is willing to help and train someone who will take over and considering the size of our budget being treasurer with our Association would probably look pretty good on a resume.

If you'd be willing to help with one of these jobs, please contact one of the Nominating Committee members (Roger Nelson, Steve Schuesler, Ellen Lamb, or Arnie Johnson). Your volunteering would be greatly appreciated.
