ANNOUNCEMENTS

The Crosstown Bicycle Route Map book is in its 7th year and 3rd printing, having provided the Greater Lansing Area with around 18,000 map books. We're running out, so 2012 will have a new version.

We can use your help to make sure we catch new places and eliminate or replace lines on the map that aren't so good anymore. We'll be adding the northern extension of the Northern Tier Trail, the southern extension to Jolly Rd of the Lansing River Trail, and the extension to Marsh Road of the Interurban Railroad. And for those in the south, Dell, Pinetree, Sandhill, and Stillman will connect Aurelius and Meridian.

If you have any other suggestions, contact Dick Janson at CrosstownMap@biketcba.org or at (517) 675-7340. Suggestions will be helpful at least until September, 2011.

CHANGE OF ADDRESS

The TCBA would like to remind our valued members to please submit your change of address (form is included on the mailed newsletter) whenever you move, or temporarily relocate for lengthy periods of time. We no longer have the post office forward our mailings, such as newsletters, ride notices, etc. To insure you receive your TCBA correspondence, it is imperative you keep us informed on where you want your mail sent. The cost to the club to receive notices of undelivered mailed is starting to add up. In addition, we cannot be responsible if you do not receive an application to a desired ride which fills up due to our inability to provide you an application in time. Thank you for your assistance in resolving the issue from both perspectives. Please notify Dean Brailey of your address change at membership@biketcba.org.

4th ANNUAL PERE MARQUETTE TRAIL RIDE

By Jan Koller

Come ride the Pere Marquette trail with us, Saturday, August 20th, with a rain date of August 21st. Tony and I would love to have you discover this paved trail, a rail to trail conversion, in the heart of Michigan. It has all the amenities a bicyclist could want for an enjoyable outing. This is our 4th year of riding the trail and TCBA will give us mileage credit.

This will be a "Z" ride beginning at Clare's 5th Street Municipal Parking Lot, located at the intersection of 4th and McEwan Street. The ride will go to Midland and back, for a total of 60 miles. The start time will be announced on the Ride Schedule published in the August *Chainwheel Chatter*. Lunch will be in Midland.

Directions from the south: 127 North to exit 156 and follow Business Route in Clare to the municipal lot at the intersection of 4th and McEwan Street.

Any questions call Jan or Tony at (517) 669-5744.

EXPERIENCE THE WHITE PINE TRAIL

By Jan Koller

Come join Jan and Tony Koller to experience this delightful trail, on the west side of the state. The White Pine trail is about 90 miles long but we will ride the paved section, from Comstock Riverside park to Sand Lake, about 45 miles round-trip. If you wish to ride more, bring a mountain bike.

Meet at Riverside Park off Monroe street south of N. Park road on Sept. 10th or if it rains on Sept. 11th. Park at the northernmost parking lot, away from the river and look for DALMAC flags to mark the location.

The time of ride will be announced in the September *Chainwheel Chatter*. For directions, call Jan or Tony at 517-669-5744. See you on the trail.

CHALLENGE YOURSELF

By Darryl Burris

Get ready for your longest ride of the season. On the first Saturday in August (August 6, 2011) I will be leading a "Z" ride from Dewitt Junior High to Mount Pleasant and back (150 miles). The TCBA Board has agreed to provide limited SAG service for this ride. The ride will leave at 7 a.m. Not up for 150 miles to Mount Pleasant? Middleton is 100 km, or Alma is 100 miles on the route. Get ready and meet the challenge. For more information contact Darryl at 517-394-1617 or email to bikenote@att.net.

BICYCLE SAFETY POSTER CONTEST WINNERS ANNOUNCED

By Betty Johnson and Katie Donnelly

We're pleased to announce the winners of this year's bicycle safety poster contest. The TCBA-sponsored competition was open to Clinton, Eaton, and Ingham County students in Grades 3 and 5. Grade levels were chosen for this competition based on Michigan Model for Comprehensive School Health Education language pertaining to bicycle safety. Although we received entries from several schools, all of this year's winners were from St. Gerard School. The winners and their teachers were recognized at our May membership meeting. They are:

Third Grade

1st place Emelia Rush of Grand Ledge

2nd place Cameron Bartlett of Charlotte

3rd place Mia Abdullah of Lansing

Fifth Grade

1st place Sam Dziuba of Dewitt

2nd place McKyle Stanfield of Mason

3rd place Amelia Mills of Lansing

Of special interest is that Sam Dziuba's brother Spencer was one of last year's winners, and McKyle Stanfield was one of our 2009 winners, when he was in third grade.

The contest is intended to stimulate thought and discussion as well as to provide a fun creative activity around the theme "**I'm a smart and safe cyclist.**" Posters were judged on creativity, expression of the theme, and consistency with instructions.

All winners receive cash awards and one-year family TCBA memberships, and St. Gerard School will receive a \$600 cash award for being the school of both first-place winners. In addition, first-place winners win gift certificates to local bicycle shops. Congratulations to all of our winners!
