Motion carried.

**EVENT DIRECTOR'S REPORT:** Heidi Vanator reported that everything seemed ready for DALMAC 2012. Crash meetings are August 16th and August 27th, both at Spartan Hall of Fame Café at 6:30 p.m. All clothing has been ordered, flags are in, and most all other supplies are either in storage or have arrived. Spoke briefly on "Transforming Michigan!" in Lansing on August 21, 2012. Mike also reported that it would be nice to get the club involved in other biking events such as local festivals and parades. He also mentioned that Saginaw Highway is getting a new bicycle lane and the ribbon cutting will be near Mid-September. Meridian Township is also getting new biking lanes. He is also paying close attention to the new Amtrak Station coming to Lansing and asked that this be put in September's agenda. No action required at this point.

## NOMINEE PROFILES FOR THE 2013 BOARD MEMBER ELECTIONS

The following individuals have submitted a Nominee Profile to be considered as a 2013 Board Member. The positions not represented with a profile, are those positions for which no nomination has been made. As of the deadline, there were no nominations for Secretary or an additional Board-at-Large Member.

### NOMINEES FOR PRESIDENT:

- ◆ **ROGER NELSON:** Roger has been a TCBA member for over 25 years. Roger has held this position since early 2009 after serving four months as Vice-President, a position he had previously held in the late 1980's. Roger recently retired after 30 years working for the State of Michigan where he worked as an accountant and an analyst. Roger indicated he would be absent from serving on the board for 4 months during the winter and that perhaps, someone else may be interested in the position.
- ◆ **PATRICIA TRUDGEN:** Patricia served the last year as a Board-at-Large Member. Prior to that, she served as the Events Director for three years. Pat has also served on the DALMAC Food and Facilities Committee from 1996—2008, Ride Coordinator for DALMAC rides in 2007, 2008, 2010 and 2011, and she has worked registration for DALMAC from 1998—2003. In addition to her work with DALMAC, Pat has worked food stops for WOW.

### NOMINEE FOR VICE-PRESIDENT:

- ◆ **BILL SMITH:** Bill has served as a Road Captain in the early 1980's. He rode his first DALMAC in 1976 and has enjoyed many club events over the years. Bill would like to give back to the club. He was a teacher for 36 years and feels he can be organized. He has some ideas for presenters for future club meetings.

### NOMINEE FOR TREASURER:

- ◆ **STEVE LEIBY:** As one of the founding members of TCBA, I want to see the TCBA continue to grow and prosper. TCBA should promote bicycle riding, safety, safe roads, and riding skills. I was a certified Effective Cycle Instructor and am registered for the LAB League Certified Instructor training program. I have helped Bill Savage teach the Road I class. Currently, I am Chair of the DALMAC Fund Committee and have served on the Committee since its formation in 1985. I was TCBA Secretary in 1977, President in 1978 and 1980, and Events Director in 1979. My goals for serving on the TCBA Board are to recruit younger members, expand our educational programs and increase the number of club rides. We have added the Mid-Michigan Active Transportation Coalition as a TCBA committee and need more participation interacting with local governments to improve the road system for bicycle riding.

### NOMINEE FOR EVENTS DIRECTOR:

- ◆ **HEIDI VANATOR:** Heidi has served as the Events Director this past year. This past year has given me a new and fresh perspective of what the TCBA has accomplished over the

CONTINUED FROM PAGE 4

past 42 years of biking tours. I have learned so much and hope to be given the opportunity by club members to continue. I have big dreams for not only this club, but of the DALMAC as well. This is an incredible group of individuals!

### NOMINEES FOR BOARD-AT-LARGE:

- ◆ **JOEL WICKHAM:** Joel has been a TCBA member for 10 years, and participated in DALMAC each of those years, serving as a SAG Driver for four of those years. He also served as a Baggage driver one year, as well as working the DALMAC registration for the last 6 years. Joel and his wife, served as campground hosts for this year's Summer-Tour. Joel would like this opportunity to help guide our club into the future by reaching out to new riders with the hope of adding to our ranks.

## TCBA Advocacy Committee Report for August 2012

Prepared by Mike Unsworth

- I. Advocacy Committee actions :
  - A. New Amtrak Station (AKA Capital Area Multi-modal Gateway Project)
    - 1. Discussion with CATA's Debbie Alexander and the City of East Lansing's Tim Schmitt on bicycle facilities:
      - a. Bike parking--We recommended both bike lockers for long term and bike racks for short term,
      - b. The station will have a canopy that should have some bike parking
      - c. Space for future expansion should be designed in. A multi-level facility for both bikes and autos could be built in the footprint of the to-be-demolished existing station.
      - d. Bike sharing--CATA is aware of the current work on sharing. The design should be flexible to provide for such a service if it develops
      - e. Bike repair station --we recommended that a self-serve station be installed.
    - 2. Formation of Working Group which will spearhead the committee's actions: Mike Unsworth, Tim Potter, Art Slabosky, Nancy Krupiarz, and Phil Wells
  - B. Bike Parking Issues:
    - 1. Guidelines for TCBA funding of racks:
      - a. In the past, TCBA bike parking funding has been sporadic
      - b. For the current fiscal year Steve has allocated \$30K
      - c. Everyone seemed to agree with the proposed guidelines with the suggestion of incorporating the APBP Bicycle Parking Guidelines (<http://tinyurl.com/ddd2ag>) into a final document. Mike and Steve will continue working on this.
    - 2. MSU is slowly working on a secure bike parking project. Costs are a major concern.
  - C. U.S. Housing & Urban Development work plan for non-motorized traffic-- Progress report (Nancy):
    - 1. Trans4Michigan Community Forum was held on August 21 with about 30 people attending.
    - 2. Frandor connections for Lansing east side neighborhoods--Nancy Krupiarz will meet with the Eastside Neighborhood Organization about their concerns.
  - D. Biking Events
    - 1. Saginaw Street bike lane ride--Mike U. is working with the Westside Community Organization and MDOT about it.
    - 2. Art-related bike tour(s) brainstorming session with Jeana-Dee Allen Rogers of Reach Studio Art Center. Reach Studio, an organization that works with kids, has constructed and placed various works of art around the area. She would like to have a ride traveling to the art work. After some discussion, we decided that Jeana-Dee will map out the art sites and try to get kid-specific sponsor(s). She'll then send us the map and we'll help formulate a route
  - E. Advocacy web site--We agreed on a format; Mike will start work on a prototype
  - F. Advocacy meetings for September 2012 -- August 13 will be held at the Gone Wired Café (2012 E. Michigan Ave, Lansing) from 6 -- 7:30 p.m.
- II. Recent Developments:
  - A. Hagadorn between Grand River and Mount Hope--Ingham County will have a full ADA audit on access to Hannah Plaza
  - B. Ingham County Dept. of Transportation and Roads (formerly the Ingham County Road Commission):
    - 1. Completion dates for two major projects:
      - a. Park Lake and Burcham roundabout -- missed its Labor Day deadline
      - b. Haslett Road reconstruction--done in October
    - 2. Oversight of the Department will be done by the County Board's Services Committee
  - C. CATA developments:
    - 1. The new triple bike bus racks -- two bidders should reply to the Request for Proposal within next 3 weeks
    - 2. The "old" double bike bus racks
      - a. Will be installed on CATA's smaller buses
      - b. Clinton Transportation has requested any surplus racks.
    - 3. CATA station bike racks--they're investigating putting some in at the MSU Shaw Transport station
  - D. Land Bank--The Bank has a goal of building population density which fosters active transportation
    - 1. The Bank is working with Pat Gillespie on the redevelopment of 600 E Michigan (Michigan & Larch) into a mixed use residential structure. This project continues the Bank's efforts in the corridors and walkable areas of Lansing to create attractive housing options.
    - 2. Of the single-family home Land Bank sales, a number of the home buyers are moving into Lansing.

## CHANGE OF ADDRESS

The TCBA would like to remind our valued members to please submit your change of address (form is included on the mailed newsletter) whenever you move, or temporarily relocate for lengthy periods of time. We no longer have the post office forward our mailings, such as newsletters, ride notices, etc. To insure you receive your TCBA correspondence, it is imperative you keep us informed on where you want your mail sent. The cost to the club to receive notices of undelivered mailed is starting to add up. In addition, we cannot be responsible if you do not receive an application to a desired ride which fills up due to our inability to provide you an application in time. Thank you for your assistance in resolving the issue from both perspectives. Please notify Wendell Proudfoot of your change of address at membership@biketcba.org.
