THANK YOU PATRICIA TRUDGEN

As DALMAC 2014 draws to a close, and the team forms up for DALMAC 2014, we are taking a special moment to express our thanks to Patricia Trudgen. Patricia served as the DALMAC Events Director for 4 years. More than being the Director, she ensured things were being conducted by all the committees and did whatever she needed to help anyone out to make each DALMAC as successful as possible. Patricia will remain involved in the tour, but is handing over the top job. Patricia did an outstanding job; was great in the pinches and led us superbly. Please extend "a tap on the Helmet" to Patricia Trudgen.

TCBA BOARD OF DIRECTORS NOMINEE PROFILES

PRESIDENT: Darryl Burris has been nominated to run for President. Darryl has been a TCBA member for 31 years. He has held the following positions: Board-at-Large, 1996; DALMAC Events Director, 2003, 2004, 2005, and 2006; President, 2014. He rides a lot of miles, including more than 4,000 club miles each year. He has ridden 31 DALMAC's in a row, all the Northwest Tours, and many SummerTours. As DALMAC Director, he learned to lead an all volunteer group. As TCBA President, he will continue to work to provide unconditional support and encouragement for TCBA volunteers. Our volunteers are our most important resource. There is no better place to invest than to support the efforts of our volunteers.

VICE PRESIDENT: William Smith has been nominated to run for the position of Vice-President. Bill has been a TCBA member for 30 years. Bill currently serves as the Vice-President, which he has held for 2 years. He has enjoyed working with the club leadership and seeing firsthand all the work that our volunteers put in to make our club successful. Bill would like to continue to contribute to the TCBA in the coming year. He feels he is still learning on the job and would like to continue.

SECRETARY: Patrick Baughan has been nominated for the position of Secretary. Pat has been a TCBA member since 1978. He has held the following positions: President-1984; Vice-President, 1983; Mileage Keeper 1984-1986; Volunteer Coordinator- 1987-1988; T-Shirt Ride Chairman 13 years; and Board Secretary-2014. Pat has ridden 28 DALMAC's and been on the committee since 1979. Because he owned a company that did direct mail advertising, he has been involved with the mailings of the events catalog since the beginning. He still maintains the data base of past riders of one of the TCBA tours. Pat still enjoys DALMAC road painting and meeting the trucks and buses when they get back to Lansing after DALMAC. As your Board secretary, he hopes to continue to record what goes on at the board meetings and support the activities of TCBA.

TREASURER: Steven Leiby has been nominated to run for the position of Treasurer. Steve has been a TCBA member for 41 years. He has held the following board positions: Treasurer, 2011-2014; DALMAC Events Director, 1979; President, 1978, 1980; and DALMAC Fund Chair, 1992-1994, and 2009-Present. Steve expects to ride 4,500 miles this year, about 25% on club rides. He's ridden 30 DALMACs, starting in 1972 and was the Events Director in 1979. Joined TCBA when it started accepting memberships in 1973. Served as an Effective Cycling Instructor and expects to be re-certified as a League Cycling Instructor. For the last 4 years, he helped Bill Savage teach the Smart Streets Cycling class. Steve also participates in the TCBA Activists Committee, the DALMAC Committee and Chairs the DALMAC Fund Committee. TCBA needs to continue looking for younger members and have an active presence in the community.

BOARD-AT-LARGE: Joel Wickham has been nominated to run for the position of Board-at-Large. Joel has been a TCBA member for 12 years. He has held the position of Board-a-Large, 2013-2014. As a returning board member, Joel looks forward to continuing our work to grow our club, and helping our club represent bicycling in the tri-county area, and beyond. The coming months/years the cycling environment in our area will grow, giving us an excellent opportunity to make advances with the younger riders that will be exposed to cycling, some for the first time. Joel also plans on continuing the high level of responsibility to the members, giving back the high standards that 'you' deserve.

BOARD-AT-LARGE: Patrick Kelley has been nominated to run for the position of Board-at-Large. Patrick has been a TCBA member for more than 20 years. He is currently serving in his first year of this position and wants to continue for another year. Patrick has been a member and active participant as a Ride Leader. He has volunteered for a variety of special projects over the years and is currently the coordinator of the club's port-a-potty needs for events like DALMAC, WOW and the T-Shirt rides. Patrick would love to continue as a Board-at-Large Board Director for another year and continue to volunteer his time to TCBA.

DALMAC EVENTS DIRECTOR: Ken Hendrick has been nominated to run for the board position of DALMAC Events Director. He has been a TCBA member for 30 years. Ken has held the following DALMAC positions: Food & Facilities; 1999-2014; DALMAC Treasurer for 6 years; Quad Century Ride Leader 1 year; DALMAC SAG driver 2 years; and assisted with many other DALMAC activities. Ken has been an avid bicycle tourist since riding his first DALMAC in 1985. He has ridden 24 DALMAC's, worked on three DALMACS, and only missed three since 1985 while bicycle touring in the British Isles. Most of his professional career was spent in leadership or management positions. Ken's objectives as DALMAC Director will be to support the over 100 volunteers who have made DALMAC one of the premier bicycle tours in the Country and continue to maintain and improve upon those efforts.

DICK ALLEN FAMILY & FRIENDS ENJOY 2014 DALMAC

By Dick & JoAnn Allen

The above photos were submitted by Dick and JoAnn Allen. They wanted to share these photos with everyone in the club.

The photo on the left is of the Allen family (minus our daughter and her family) along with 3 longtime friends of ours. From left to right, Sandy and Lester Allen (at one time, DALMAC's youngest rider), Ted Bosley, Ransom and Parks Allen, Dick, Courtney Allen, Jothan Allen, Alyce Bouman, and John McCormack.

The photo on the right is of Dick with Ted Bosley, an old friend and longtime DALMAC rider who used to cook for the riders when they camped at our house. While Ted rode only parts of the ride daily, he was/is the oldest rider at 88 years. Also in this picture is the Allen's grandson, Parks, this years youngest rider.

RIDE OF SILENCE FOR JILL BYELICH

Submitted by Pat Harrington

On behalf of the organizers of The Ride of Silence Tribute for Jill Byelich on October 5, 2014, here is an update of this TCBA Club Ride that occurred. The cycling community expresses their thank you to TCBA for its participation in the event.

Following the tragic crash which killed Jill Byelich on September 2nd, (misdemeanor charges involving cell phone usage by a motorist are in the Clinton County court system), TCBA became a sponsoring organization through its Advocacy Committee with other partners to assist with this ride, as an official club ride.

Approximately 150 persons participated in various ways along the 5-mile, 8-mile, and 16-mile ride. Law enforcement provided an escort through the duration from Wacousta to the Capitol. Jill Byelich's family, including husband Jordan, and sons ages 4 and 6 also completed the section of the ride past the crash site to the cemetery. Additional information on the full details and media coverage are easiest to find on Facebook - search for Jill Byelich - the event page with updates is there.

With approval of Mr. Tom Hardenbergh, here is an excerpt from those postings, that Tom wrote:

With great gray clouds sliding along dramatically on a cool autumn day and the line of cyclists ready to depart, I could not speak the words in my head. So, I will say them here.

We are here today in our great numbers to ride in remembrance of Jill Byelich. We ride in silence to allow our thoughts to rest with Jill and her family and to calm our broken hearts.

While Jill has gone on that great ride none of us ever return from, we are still here; here today, here tomorrow, here always to enjoy the activity we love so much and to demonstrate our right to do so.

We ask for a blessing on this ride. Watch over us and keep us safe today, tomorrow, and always. May we all take care and live aware.

A number of significant legislative matters are currently active in MI & best described via TCBA's Advocacy Page, <http://advocacy.biketcba.org/> and specifically at The League of MI Bicyclists <http://www.LMB.org/takeaction>

Additional thoughts from the author: Why some folks do the advocacy stuff...

For me it began in 1976 when charter TCBA Member Tom Hardenbergh scraped my bike and I to the side of the road and kept other vehicles from running into me after a Waverly School Bus did a swipe/hit & run to me on the morning commute. Tom's words to me as the ambulance closed in were, "Get a Helmet Kid"... I went through a couple of Bell Bikers, but also got involved in the TCBA & Lansing Safety Council Helmet Lending Program in the era with Bill & Diane were running the TCBA Safety & Education Committee.

Over the years, various non-motorized advocacy topics have come and gone, and currently the opportunity to affect better infrastructure design has never been better. As I look at another cycling -v- motorist fatality in Hudsonville, just two days after our Ride of Silence Tribute for Jill Byelich, I recalled and herein paraphrase comments made by Jill Byelich's husband, Jordan, at his wife's gravesite Sunday, "the 66 foot right-of-way belongs to all of us to use as we see fit and we all deserve access without hindrance or dangers caused by others in this space"

It was the most succinct reason I have seen to focus on improving safe and rightful access that I have seen, whether the cycling is for primary transportation, recreation, and/or vacation touring.

CONSUMER PRODUCT SAFETY COMMISSION PRODUCT RECALLS

NAME OF PRODUCT: Louis Garneau Aerodynamic Bicycle Helmet

HAZARD: In cold temperatures, the helmet can fail to protect the wearer from impact injuries.

REMEDY: Consumers should immediately stop using the recalled helmets and return them to Louis Garneau USA for a refund or replacement with a similar helmet.
