Celebrating Our 10th Annual

NorthWest Tour is a five day bicycle tour in the beautiful Sleeping Bear Dunes and Leelanau areas of Michigan's northwest Lower Peninsula. The tour features great scenery on good roads through many small towns and tourist areas, all from the convenience of a single camping location.

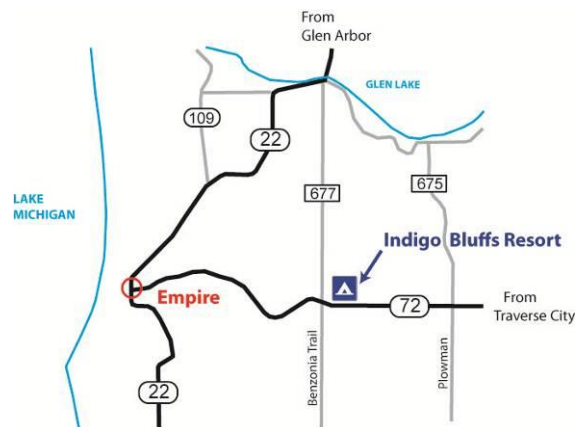

Daily routes typically have shorter and longer options of about 30, 60, and 100 miles. The first and last days are of the shorter variety to allow for travel time. Be prepared for **hilly terrain** no matter which routes you take. See the [Schedule of Rides](#) for more info.

This is **primarily a tent camping tour**, with provision for some RV's (extra fee). Our campsites are in a wooded area, with nice restrooms and showers. Be sure to check the [Campground](#) section for details.

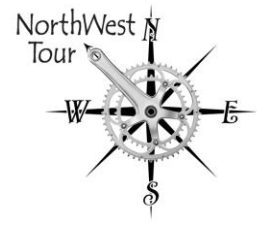

Included in the basic fee are tent camping facilities, route maps, SAG service, and meals: breakfast and dinner Thursday through Saturday and breakfast on Sunday.

Location: Indigo Bluffs Resort,
6760 W. Empire Highway (M-72),
Empire, MI 49630
3.5 miles east of Empire and
20 miles west of Traverse City

NorthWest Tour is sponsored by the Tri-County Bicycle Association (TCBA) of Lansing, MI, a volunteer non-profit organization. Any surplus from the Tour is donated to cycling related projects.

Campground

You will be camping on sites reserved for NorthWest Tour, or, in the case of larger RV's, on a site you reserve directly with Indigo Bluffs.

- Camping is available in the NWT area on Wednesday after 12:00 noon until Sunday at 3:00pm.
- Our campsite assignment team will assign sites at check-in (no reservations).
- **Tent campers will be sharing sites** as they are large enough for several tents. So plan to share with friends or meet some new ones!
- **RV's 25' and under** can be registered for a flat \$50 fee on the NWT sites (water and electric). This fee is per RV, so only pay it on one occupant's registration. You are not required to share your site. Limit of 25 available.
- **Those with RV's over 25'** or desiring full hookup or pull-through sites are responsible to arrange and pay for their own campsite reservation directly with Indigo Bluffs Resort at (231) 326-5566.
- If you choose to arrive prior to the Tour's start, or extend your stay after the Tour's conclusion, you must make a separate campsite reservation with the campground office. If arriving prior you may be reassigned to another site at the start of the Tour.
- Nice restrooms and showers are available. **Showers cost 25¢** for approximately 3 minutes.
- Quiet time in the campground is 11:00pm.
- Please keep your campsite clean. Trash bags will be provided at registration.

A few FAQ's

Q. Why aren't non-registered persons allowed to stay in the NorthWest Tour campground area?

A. It's part practicality and part liability. From a practical standpoint the Tour has expanded to where we now fill the campground and its facilities have accommodated the increase. If, however, everyone were allowed to bring a guest(s) we would greatly exceed that capacity and negatively affect the Tour. On the liability side a guest would be registered with neither NorthWest Tour nor Indigo Bluffs to be in the campground.

Q. Isn't a non-rider that registers taking a riders place?

A. Yes, but don't worry. We are happy to have some non-riding companions on the Tour as only a few riders would be displaced.

Q. Is there a discount for non-riders (meals only)?

A. To be honest, our (non-profit) margin is low enough that it wouldn't be much of a discount. And almost all of our costs are related to catering and campground which are non-rider expenses anyway.

Q. So online registration allows additional riders to be registered and paid for together?

A. Yep. There will be a button to "Add Another Person" after the camping selection. Please note that if merchandise (clothing) is being purchased as part of a group/family registration all merchandise is selected on one form for the entire group. At check-in all merchandise will be under the name of, and distributed to, the first person (payee) of the group registration.

Q. How do I review, make changes or (sigh) cancel my registration?

A. Changes or cancellations can be processed directly by you through RegOnline by clicking the link in your confirmation email. See the [Refunds](#) section for more details. Use the [Contact](#) info as listed in this document if you have questions or need help.
